Meka

India has an oral addiction. Yes, fucking is great and she does a lot of it, but there's something about licking a man that turns her red hot. It's the taste, it's the view, it's the feeling of control. When she makes a man cum with her mouth, it wants to shout out, 'I did it again.'

Nurse Clarisse's therapy

It's another Saturday night and I don't know what I did all night. That's because I'm finding myself in a hospital bed, dazed and confused. There's an IV in my arm and a bunch of bandages all over what I can see of my body. There's a remote control device next to me, one of those plugged into the wall and can call for a nurse and control the TV. I have no idea what I did to deserve being here.

I decide to press the call button and a nurse comes into the room a few minutes later. She says, "Hi there, can I help you?" I say, "Where am I. What happened to me?" The nurse comes over, fiddles with the machine I'm hooked up to and stands over me at the foot of the bed. She reaches for the clipboard with my charts on it and reading from it says, "Darran, your at the Aurora St Luke's Medical Center. You were in an automobile accident. You have a concussion, lacerations and internal bleeding. Looks like you'll be here for a while."

I look around the room and see a clock reading three am. Not knowing what to say next, I blurt out, "What's a pretty thing like you doing at a place like this?" She giggles and says, "I'm the night nurse. My name is Clarisse and I'm here to help people like you in their time of need. So is there anything more that I can do?" Not knowing how to respond, I say jokingly, "How about a little kiss?" She smiles, then leans forward and presses her lips on mine for a few seconds. I'm dumbfounded. I didn't think she would do it, nor was I expecting it.

The best I could hope for was for her to walk away and not report me. When she leans back, I say, "Nice, I didn't think you'd do it." She replies, "Studies show that patients who get sexually stimulated heal faster. So if I can help make you heal faster, I'm glad to help." Emboldened, I grab her hand saying, "Well, do you wanna heal me some more?" She smiles and nods, then leans forward and kisses me again. I kiss back and her tongue finds it's way into my mouth. My hand weaves it's way behind her and cups a buttcheek, pulling her a little closer. I find her waist band. I slide my hand into her pants and begin massaging her butt.

Clarisse pulls my hand out. She straightens up and smiles whispering, "I'd like to fuck you, but not tonight. You need to heal. So no hands under my clothes. You can feel from outside. Now back to our healing process." She kisses me again and we just press lips for a moment, giggling. Suddenly her beeper goes off spoiling the mood. She gives me one last quick kiss before putting my chart back and running out the door.
I look around the room

for a few minutes and realize I have to accept my situation. I try to remember the car crash, but nothing is coming. I decide to just kick back and try to get some more sleep. Six am rolls around when Clarisse comes in my room. She sits on my bed, then flops down and lays next to me, laying her head on my shoulder. She says, “Sorry about running off. They needed every available nurse in the ER. But the chaos is over and I’m off now.” I wrap my arm around her and say,” You look exhausted Clarisse.” She cuddles into me and says, “Totally. I’m too tired to even drive home. I don’t wanna go back to that empty apartment right now anyways. Can I just sleep in here until my next shift?” I nod and she smiles, then kisses me and goes to sleep on me. I turn on the TV and let it lull me to sleep, too.

An hour later the door opens loudly to the doctor walking in. He looks at the two of us and says, “Nurse Clarisse, this is not a hotel room!” She quickly stands up and says, “No doctor. I was in the ER all night and was exhausted. I didn’t think it was safe to drive. This gentleman was nice enough to let me sleep here. But I can go now.” She walks across the room toward the door. When she walks behind the doctor, she mouths, “See you later, D!” The doctor tells me what is wrong with me. I have to stay for at least five days so they can keep an eye on me. He leaves. I then notice a phone number written on the napkin on the table next to the bed. I find my cell phone and call the number. She answers the phone, “I was just sitting in nurses lounge until he goes away. I’ll be there when coast is clear. Bye.” A few minutes later I hear the door open again, Clarisse slips into my room and quietly closes the door. She sits on the couch and says, “I can visit patients if I want. Doctors all think they run things.” She smiles. I haven’t really given her a good looking over, but she’s beautiful. Young, chocolate skin, large brown eyes, a perfect body hidden under those scrubs, and a smile that will melt your heart.

I make a half-hearted attempt to sit up in the bed, but a huge pain shoots through my chest. Nurse Clarisse gently feels the area and says, “It seems to be healing better than most injuries like this do in one night. My treatments are working, but you can really hurt yourself if you move too much, so I’m sorry, we can’t do anything for a while.” I put on a sad face and she gently bites my lower lip, then kisses it. She lays next to me gently, saying, “I really need to sleep, so night. Please wake me up in a few hours before the doctor comes again.”

I wake up first, but Clarisse is still sleeping. I turn off alarm and wake her by kissing her repeatedly. She wakes up with a smile, and mumbles, ”I wish I could wake up to that every time.” She sits up and looks at me, thinking. She says, “OK, we can date, but on one condition.” I nod and she says, “The sexual healing wasn’t just a pick up line. I really do think it works. So as long as you can live with me healing others like this, then we can date. I kiss, make out, screw, but nothing after they leave hospital and no romance in it.”

I reluctantly agree. “I can’t ask you to stop doing what you do. But do try to keep it to just healing and not for fun.” She nods and kisses me, then leaves to start her shift. I spend most of evening recuperating, watching TV and eating dinner. I fall asleep around nine and wake up to Clarisse laying next to me.

She says, “Morning D. I’m going to start that healing process I told you about, but you can not tense up at all. Just relax and let it come. Don’t hold back but no bucking; just enjoy and relax.” I nod and she licks her lips and kisses me. She gets up from the bed and goes over to the sink. She prepares for a sponge bath and returns to the bed with the soapy pan and washcloth. She pulls down the bed sheet, then my boxers. She wrings the cloth and begins to rub it around my crotch area. She gently cleans the area being sure to get down between my legs and balls, working the washcloth back between my buttcheeks.

I stiffen at her touch and that seems to make her job of washing my cock a bit easier. She finishes by rinsing me with cool, clean water and takes the pan back to the sink. Returning to the bed, she sits on the edge and then begins to rub my dick to get me harder. First with one hand doing long tight strokes and then adding the second to make it firmer. She slips the second hand down to my balls and begins fondling them. I try not to moan too loudly.

Then she lowers her head down to starts lick the head of my cock. Her tongue works its magic up and down my shaft. She is sure to make eye contact with me, smiling at me as her head bobs up and down on my cock. I watch as her tongue swirls around the shaft and her hands continue stimulating my balls.

Her mouth replaces her hands on my balls and she sucks one into her mouth. I feel her tongue address it gently and then she slurps the other into her mouth. She repositions herself between my legs with both balls in her mouth and her hands stroking my cock up and down as she fixes her gaze on me. I can’t believe this is happening, but I try to keep it together so as not to pop and stitches, bandages, or my load this quickly.

She then rises up and takes my cock back into her mouth. Starting at the top with a tight pucker, she lowers her head all the way down my cock, taking the last inch in slowly working her tongue out of her mouth to accommodate it all. I’m amazed at her deep throating skills and getting closer and closer to cumming. She stays down there another thirty minutes giving me the longest and absolutely best blow job I ever had.

I moan out that I’m ready to cum and she slows the pace, subtly telling me that I should cum in a relaxing style orgasm that makes my body go numb – and then I cum. Half a dozen jerks later I empty my load deep into her mouth and she holds her mouth over my cock, swallowing every drop of it. Clarisse then drinks from her bottle of water. She lays next to me and whispers, “You taste great. I have to get some sleep now, so when I return tonight from my shift, it’s my turn so you’re going to do me.”

– Darran, Milwaukee

I love exploring men's bodies in the same way that I explored my female partners' and the same way that I like having mine explored. It's not all about cocks and pussies, but about chests, muscles and, of course, butts. But when it's time to get down to business, it's all about cocks. And the guys know it.

THERE'S NOTHING LIKE A LITTLE HARMONY

It was the weekend and the only time I have to take care of things around the house. I worked hard in the summer heat and was exhausted when I finally finished and came inside. I'd already been in bed for a couple of hours when the sheets shuffled and the mattress moved a bit. I woke enough to scoot over and make some room when I felt her hair fall on my bare shoulder and her breath come close to my ear. She nuzzled into my neck as she moved into the bed behind me. Her soft, warm hand started on my shoulder and caressed a winding path along my arm, around my chest and across my stomach. There was no doubt she wanted to start something, and even less doubt that I would gladly oblige.

I turned to kiss her and she opened her mouth for me as if we hadn't kissed in years. Her tongue was hot and ferocious as she sucked a huge kiss right out of me. Angelica stayed up with her longtime friend, drinking Long Island Coolers and making girl talk in our living room. I'd gone off to bed early – tired from working out in the yard and not terribly interested in their chatter. After I first settled in I could still hear them jabbering away about everything and nothing, but they hadn't seen each other in a few months, so it was no surprise. I smiled as I drifted into a light sleep – glad that she's got such a friend.

Her name was Harmony, and they'd been friends since elementary school. She was there for Harmony when she went through her divorce, and Harmony was there for her while I was called to serve overseas. They were as close as friends get – unconditional in their support for one another, but remarkably candid always. It was a friendship to envy.

The raging erection that was stuck in my twisted boxers needed to be released, and I tried to use my free hand to pull the waistband aside. Angelica was having none of it, as she slid her leg over my stomach, moving her chest so that the dry boob could get some mouth action. I cupped both and began to kiss and suck noisily. The moisture on her made pinching and rubbing her all the more erotic – obviously she was enjoying herself as I could feel her sexual heat hovering just over my stomach. My cock flexed uncontrollably, I was aching to penetrate her and fuck her in a primal way. I didn't quite realize how she was managing it at the time, but I could feel her fingers grasping my shorts and pulling them away.

As I felt my cock being engulfed by fingers, it was clear there was no way these could be her hands; and there was only one other female in the house! There was no light in the room at all, so I could not see exactly what

Soon Harmony's tits were sliding up my thighs as she positioned her mouth over the tip of my twitching cock.

was going on, but I could sense that Angelica's hands were on the bed up near my face and that Harmony had both of her hands on my cock. The sensation of Harmony's hands rubbing up and down my cock while a slippery pair of breasts were being fed to me was out of this world. I must have made an involuntary noise of some sort because the ladies both giggled. I reached up and rubbed Angelica's ass, my mind spinning at the thought of this actually happening. When Harmony slowed her strokes and rubbed little circles around the head of my dick with her thumbs I arched my hips up a bit, pressing my stomach right into the wet pussy lips straddled over me. Angelica was breathing heavy, her slit was dripping wet and I was being held in place.

Soon Harmony's tits were sliding up my thighs as she positioned her mouth over the tip of my twitching cock. I felt her hot breath on me before her lips landed around the head, making me growl into the breast flesh I was still sucking. How in the hell was I going to fuck the both of them? The tongue across the bottom of my shaft was dripping wet – and Harmony was making the same kind of slurping noises I was making as her mouth engulfed me. She tilted her head forward and bobbed up and down – running the head of my dick across the roof of her mouth as she moved. I felt Harmony shuffle her hand, rolling it up across my belly, her knuckles down. Harmony was rubbing her fingers into Angelica's moist slit - her best friend - right on top of me! The grinding that began made it almost impossible to keep a grasp on the wet tits I had in my mouth, so I leaned back and cupped them in my hands. Angelica leaned back as well, reaching behind her to grip Harmony's wrist as Harmony pushed her fingers across those slick pussy lips. Angelica's eyes were rolled back in her head and her thighs began to tremble in rhythm to Harmony's massage.

Angelica moaned as the first wave of an orgasm began to climb. She gripped my ribs with her knees and pushed her hips back onto Harmony's hand while I pinched and twisted her nipples harder and harder. Harmony's mouth was off my cock while she watched the pussy she manipulated begin to convulse. I couldn't see what she was doing, but it felt like she was finger-fucking Angelica's pussy - fast and hard. I could feel Harmony's hand bounce off of my body with each thrust and Angelica laid on top of me, pressing her chest onto mine, lifting her pussy into the air while squeezing her feet, thighs, knees and arms around me as she came hard. Harmony slowed her hand and let it slide away and back onto my cock. Now her hand was wet with Angelica's cum and it only took a half dozen strokes, along with her mouth sucking the tip,

What a wonderful front-row seat I had, inches away as two gorgeous women lost themselves in intimate passion.

for me to be ready to pop. Angelica could sense I was getting close and she turned to look back as Harmony moved her mouth and hand in one slimy, sexy motion over my pulsing rod. My moaning made Harmony to slide her mouth as far onto my dick as she could, cupping my balls as they tightened up. A couple more deep grunts and I launched several wads of jizz into her throat. I closed my eyes so hard as I came that I saw stars. Some of my cum slid back down out of her mouth and onto her hand and lips, as well as my cock and belly. Harmony gathered some into her fingers and kept stroking me while she licked and sucked up the loose puddles of sperm. She put her mouth around me again as I began to soften and sucked lightly again, coaxing all of it from me.

I was still breathing deeply and trying to shake the stars out of my vision when Angelica slid off of me and said, “Our guest is doing all the work – we’re not being very good hosts.” She leaned over to Harmony, and the two of them started kissing. Long, slow, deep kissing. Their hands were laying across each other’s hips and shoulders as their mouths seem to melt together. I got the feeling this wasn’t the first time they’d ever kissed one another. I raised myself up on one elbow and scooted aside as they laid down and continued their exquisite mouth dance. What a wonderful front-row seat I had, inches away as two gorgeous women lost themselves in intimate passion.

Angelica was on the other side of, but kind of on top as Harmony lay on her back, and I got my first real look at Harmony’s naked body. Her chest was wonderfully plump and round – spectacular natural breasts topped with very small, fairly dark nipples, the contrast to Angelica’s larger, paler nipples and medium sized tits was very erotic. Seeing them one on top of the other was fantastic. I could not be just a spectator any longer and I moved my hand across Angelica’s back, along her side and onto Harmony’s boob – letting my palm drift over her skin lightly. My fingers pressed along the outlines of her roundness and ended up with fingertips rubbing Harmony’s nipple slowly.

I rolled towards the two of them – they were still lost in a fog of intense kissing - and slid my hand down along Harmony’s side, her hip, the top of her thigh. She raised her knee up and towards me, parting her legs and exposing her snatch to my hand. I let my fingers continue to wander over her thigh, her belly, lightly brushing her completely bald kitty. I rubbed my palm along her inner thigh, down to her ass and grabbed her cheek firmly. As I released her ass, I kept my thumb in contact with her skin, sliding it onto her pussy lips as my fingers brushed her thigh. My thumb began to circle, moving her plump outer lips with it. I parted her and let just the tip slide along the open slit from top to bottom, then back up again. Her moisture was so warm and thick I began to imagine what it would feel like on my tongue. We continued licking and fucking each other for what seemed to be an eternity. Exhausted, I finally fell asleep and left the two ladies to their own volitions. I needed to sleep.

When I woke up the next day, the ladies were already up, talking and eating breakfast in the kitchen. When I walked in and made myself a cup of coffee, they each greeted me normally, as if nothing at all was different. I ate my plate of waffles, waiting for the fallout or some type of acknowledgement that never came – not a word, not even a stolen wink or nod – nothing to acknowledge the carnal play we’d all experienced. Nothing except our lustful memories.

Sex is like a song. Like a duet performed by two harmonious lovers in sync with each other's bodies and motions. It starts out slow and slowly builds momentum until the final explosive climax with voices reaching their peak. If the partners are in unison, then the song and the act can be truly beautiful.
